“Partnering with brides to bring their vision to life is the heart of what I do. From a perfectly timed ceremony to a beautifully detailed place setting, you can trust that every moment of your day is in good hands.

With over a decade of experience, I have worn every hat imaginable. What fuels me most though are the relationships I build with my clients.

Bringing joy to my clients brings me joy.”

Dede

“Thank you so much for all you did to make the day as wonder-full and perfect as it was. I will be forever grateful to you for the many beautiful memories we made that day.”

Robin (Mother of the Bride)

“Still in awe of my whole wedding weekend. Everything was beyond perfect!”

Emery (Bride)

“Thank you for trusting me with your brides and making the process fun! You are a blessing to your brides and their families.”
