Choosing Krisy and the Southern Sparkle Wedding and Event planning team to help me organize my “big day” was an invaluable decision. My wedding day was truly everything I had ever imagined it would be, and Krisy and team helped make it all possible! I was previously a bridesmaid in two weddings Krisy coordinated, and one of the first steps I took after I got engaged was call and reserve the team for myself. I was continuously impressed by Krisy’s expertise, professionalism, accessibility, and timeliness. Every time I had a question or concern, she was ON it. I was a bride that had a vision for my look and flow of the evening, and Krisy helped me work through every detail to ensure there was nothing I was forgetting. With her help, my vision for the wedding I had always dreamed of was brought to life! Krisy’s passion for what she does makes her irreplaceable.

She wholeheartedly invests herself in making each individual client’s wedding day special. Every vendor I spoke with throughout the process (rentals, photography, florist, venues) would tell me how lucky I was to have her on my side. I agreed. She treats everyone around her with kindness, and she carries herself in a manner that makes her one of the most reputable, respected, and sought-after planners in the industry. Thank you, Krisy and Southern Sparkle team, for all your hard work! Every bride deserves an experience like mine!
